Based on a wealth of knowledge, and child feedback, we are offering the following specialized programming:

- ✓ ***Mondays Wild Crafting:***
Connect to nature through healing herbs, flowers and touching the earth. Learn about wild medicinal plants, and to make salves and other elixirs that are healing and safe. We also do movement storytelling on Mondays too!
- ✓ ***Tuesdays Travelling Trade Post:***
The Travelling Trade Post is open, where children can buy, sell and trade items, stock, inventory, resources, things they have made, things they have found, and are inspired to generate their own business, become an entrepreneur and hone their skills. This is where they craft your inner character for the game of life.
- ✓ ***Wednesdays Art of Nature***
- ✓ Registered Art Therapist, Andrea Stenerson recently joined the Wild Craft Play team and is bringing healing and peaceful energy through the Art of Nature. Watch in the park for the essence of art crafted by children. Maybe some day you too will join the fun!
- ✓ ***Thursdays Survive this Day:***
Very active outdoor challenge day, filled with activities that range from Survivor challenges to treasure hunts, fortress building and more.
- ✓ ***Fridays Adventure Day:***
- ✓ Adventure Day outside, created by and for the kids in full creative and imaginative role play. Exploring new land, travelling to new places flying by because we are having SO MUCH FUN!

ALL PROGRAMS ACTIVITIES END at 4:30pm and we are expected to return by 4:30pm. As you can imagine things may change and we ask that you are flexible. We may return by as late as 4:50pm due to unforeseen circumstances. So please do not expect to pick your child up earlier, unless you are willing to pick up at a different location. Please keep our phone numbers handy in case you are worried.
