

## PREPARE YOUR PROPS

Make your props so that they will last in the weather, as they become the magic of the program.

### Highly Recommended Props

The props in this list are required for a successful launch. The Secret Storybook and the Sacred Storyteller Cards are included in this package.

You can purchase your props from us or source your own. Most items can be hand-made, found in estate sales, garage sales, consignment stores, craft shops, hardware stores or put a call out in your social network, and you would be surprised at how many people want to help you make adventures for children.

We provide an extensive list of prop information with images in our Online Resource<sup>7</sup>. The prices below are just a suggestion of what the potential cost will be to you.
